

Portraits

My portrait photography is about distinctive images which capture the unique personality and character of each subject, whether on location or in Street Life Photography Studios.

For your convenience, I am available for:

- Baby Portraits
- Child Portraits
- Executive/Business Portraits
- Family Portraits
- High School Senior Portraits
- Sports Action Photography
- Sports Portraits

Standard Portrait Session

Includes:

- Ideal for baby, child, or family portraits. I can bring the photo shoot to you for maximum ease and convenience.
- Pre-shoot consultation to get to know you and/or your family.
- 30 minutes of shooting time in studio or at your preferred location. Or select one of the unique locations I have scouted throughout New Jersey and New York City.
- Photographs presented for you in an online proof gallery.
- Retouching of 2 images.
- Two 8x10 color or b/w prints or two sets of wallet prints (8 prints per set).
- Additional prints available.
- Professional framing available.

Deluxe Portrait Session

Includes:

- Ideal for baby, child or family portraits. I can bring the photo shoot to you for maximum ease and convenience
- Pre-shoot consultation to get to know you and/or your family
- 60 minutes of shooting time in studio or at your preferred location. Or select one of the unique locations I have scouted throughout New Jersey and New York City.
- Photographs presented for you in an online proof gallery.
- Retouching of 3 images.
- Three 8x10 color or b/w prints or three sets of wallet prints (8 prints per set).
- Additional prints available (print prices are below).
- Professional framing available.

Custom Portrait Sessions

Hourly rates and custom portrait session packages are available. You can request or design your own unique photo session, or I can work with you to develop a sitting and portrait that is uniquely you. Please call or e-mail for additional details and pricing.

Additional Services
