

## Wedding Packages

We believe that high-quality wedding photography should be affordable. Our wedding photography services are compatible with almost all wedding budgets. If there's something you would like in your package, please ask.

### Standard Wedding Photography Package

The best part of this package: You keep the digital files!

We provided a DVD with all photographs for you to enjoy as you wish. Each photograph you receive will be carefully reviewed, edited, and processed so that each image is the absolute best it can possibly be.

Our Standard Wedding Photography Package includes:

- Pre-wedding consultation prior to your wedding day to get to know you, learn about your wedding plans, and coordinate your wedding photography.
- Eight hours of coverage at your wedding ceremony and/or reception.
- Unlimited photographs on your wedding day.
- Color, b/w, toned, and image-manipulated photographs.
- Your choice of three double-matted and professionally framed 8x10 prints.

### Additional Services

You can add or trade these additional services to your wedding package so it fits your specific needs. Among them:

- Additional coverage.
- A second photographer.
- Bridal Portrait Session, which can be schedule before, after, or on the day of your wedding. Includes an online proof gallery and an 8x10 framed print.
- DVD Slideshow. Our compelling custom slideshows tell the story of your wedding day through photographs.
- Engagement Portrait Session. Includes online proof gallery and 8x10 framed print.
- Online Proof Gallery. All photographs are posted on a secure site so friends and family can remember your wedding day.
- Wedding Albums. Both storybook- and traditional-style albums are available, and can be ordered any time in the weeks, months, or even years following your wedding day.

# Deposit

A non-refundable deposit, which is applicable toward your fee, is required to reserve and hold your wedding date.
